

板谷 龍一郎 / Ryu Itadani

About

Born in Osaka Japan in 1974, Ryu has also resided in Toronto, Tokyo and London. He currently lives and works in Berlin.

Ryu finds beauty and joy in his simple yet delightful everyday life. Streetscapes of local neighborhoods or the simplicity of stationery in a room share equal relevance in his paintings, which have playful colors and descriptive, unique lines.

He has exhibited in a number of solo and group shows as well as art fairs. Also, he has collaborated with various magazines, newspapers, and companies in recent years. Some notable collaborators include LEXUS, MONOCLE (U.K.) and Harbour City (Hong Kong).
